Hair Extensions WEFT HAIR

★ **Machine Weft** is made with tight professional machine stitching, featuring high density, strong tension and excellent durability.

★ **Genius Weft** crafted with advanced ultra-thin locking technology, unlike traditional wefts, it can be freely cut and customized without unraveling or shedding.

★ **Hand Tied Weft** with ultra-thin minimal base, ultra-invisible and super lightweight. Natural movement, ideal for luxury seamless extension services.

★ **Flat Weft** adopts technology with an ultra-thin streamlined base

★ **Butterfly Weft** is soft flexible PU micro-hole hybrid seamless weft.
